MILENA SOCIN.

FRONTEND DEVELOPER & WORDPRESS SPECIALIST

Location: Argentina (Remote / Worldwide)
Portfolio: **View Website**
Status: Open for Freelance & Contract Work

PROFESSIONAL PROFILE

Results-driven **Frontend Developer & WordPress Specialist** focused on building optimized, high-impact, and conversion-focused web applications. Bridging the gap between design and functionality, I deliver seamless e-commerce stores, custom Elementor experiences, and fully mobile-first responsive sites designed to drive business growth.

CORE SERVICES & EXPERTISE

Custom WordPress & Elementor Development
Designing and coding unique web layouts from scratch or tailoring complex themes into easy-to-manage, custom digital platforms.

E-Commerce Solutions (WooCommerce)
Full online store setup: optimizing product catalogs, seamless shopping cart management, and frictionless checkout flows.

Frontend Build & Web Performance
Writing clean HTML5, SASS, and JS prioritizing mobile responsiveness, cross-browser compatibility, and fast loading speeds.

TECH STACK & SKILLS

WordPress Core | Elementor Pro | WooCommerce | HTML5 | CSS3 / SASS | Bootstrap 5 | JavaScript (ES6+) | jQuery | Swiper JS | UX/UI Design | On-Page SEO | Mobile-First Build
